Subject: **Zero Visit Request for Bio-Medical Engineering Program of Balochistan University of Engineering & Technology (BUET), Khuzdar**

Ref: i. PEC letter dated February 26, 2020 and dated November 16, 2020.
ii. BUET, Khuzdar letter dated November 04, 2020 and dated January 29, 2021

I am again directed to convey that following deficiencies/ shortcomings are still observed, to be furnished to proceed further:

i. Dr. Muneeza Khan acting as HoD have Ph.D. degree in Nano Science; a HOD having Ph.D. degree in relevant engineering discipline should be appointed.

ii. Out of three lecturers only one has Bachelor's degree in Bio-Medical Engineering, other two lecturers Bachelor's degree is not in core engineering area, one more lecturer having Bachelor's degree in Bio-Medical Engineering should be appointed.

iii. Currently there is one lab engineer in the program who has Bachelor's degree in Computer Systems Engineering Program, two lab engineers having Bachelor's degree in Bio-Medical Engineering should be appointed.

iv. Evidence of establishment of following dedicated labs for first two years of Bio-Medical Program along with Purchase orders and delivery reports of equipments related to relevant labs:
   a. Electrical and Electronics subject Lab, although it is shared with Electrical department.
   b. DLD and Signal subjects Lab, although DLD lab is shared with IT Department.
   c. Human Anatomy, Physiology, Bio Chemistry, Bio-Medical Electronics and Bio Mechanics subjects labs.

v. Purchase order and delivery report of 1000 books related to Bio-Medical Program.

Further, the induction/admission of students is strictly prohibited by this Council till the prior permission is granted after the peer review assessment of your program through a mandatory zero visit followed by PEC EAB decision. Any violation or non-compliance of accreditation policies, rules and regulations may lead to serious implications, rendering your graduates ineligible for registration as "Engineer" at the completion of unaccredited degree program(s).

An early response will be highly appreciated.
