Nazaruddin Khoso

Address: Village Wahid Khoso, District Dadu, Sindh Pakistan.
Call: +92 3363458-786
Email :14bme22@gmail.com
PEC Registration# BIOMEDICAL/02111

SUMMARY:

Stepping into the realm of education, I am fueled by a fervent desire to illuminate young minds with the wonders of Biomedical Engineering. From the intricate tapestry of research endeavors to the tangible outcomes of hands-on projects, my journey has been a testament to the transformative power of knowledge. Now, as I aspire to embark on a new chapter as an educator, I am committed to instilling a passion for discovery, fostering critical thinking, and empowering students to become agents of change in the dynamic landscape of Biomedical Engineering.

AREAS OF INTEREST:

- Biomedical Engineering
- Research Methodology.
- Machine Learning, Deep Learning & CNN.
- AI & its Algorithm.
- Medical Imaging.
- Prosthetics.

EDUCATION :

- Bachelor of Science (**BS**) in Bio-Medical Engineering Technology (Liaquat University of Medical and Health Sciences) Jamshoro (2018)
  Grade/CGPA: **3.51 out of 4**.

- HSC in Pre-Medical from Govt. Degree Collage Johi (2013), A Grade from Hyderabad City Board (76.54%)

- SSC in Biology from British Model High School Dadu (2011), A Grade from Hyderabad City Board (75.64%).

RESEARCH WORKS/PUBLICATIONS:

- Research Article titled **"LabVIEW Based Stryker Transport Stretcher"** in International Medical Device and Technology Conference, held in 6th -7th Sep, 2017 at Johar Bahru Malaysia (UTM).

- Research Article titled "**Advanced Ambulatory Operating Stretcher Learned By Means Of Convolutional Neural Network (CNN)" ,** in Journal of Biomedical Engineering and Medical Imaging, Published by Society For Science and Education, United Kingdom.

FINAL YEAR PROJECT/THESIS:

- Worked on Research Article titled "Voice Controlled Prosthetic Arm in Accordance with Surface EMG by means of '**Machine Learning**' ", in Institute Of Biomedical Engineering, Liaquat University of Medical And Health Science.

ADDITIONAL PROJECTS:

- Worked on "Advanced Ambulatory Operating Stretcher Learned By Means of Convolutional Neural Network (CNN)".
- Worked on "Stryker Transport Stretcher".
- Worked on "Voice and EMG Controlled Prosthetic Hand".
- Worked on "Below Knee (Transtibial) Prosthetic leg".
- Worked on "Micro Controller Based Automatic Soil Moistening Detection".

AWARDS/ACHIEVEMENTS:

- Secured Second Position in Business Plan Competition (2nd Invention To Innovation Summit Sindh – 2017) organized by University of Karachi For Women, on 21th Dec, 2017.
- Secured Third Position in biomed fair in Laiquat University of Medial and Health Science, on 16th Feb, 2017.

PERSONAL SKILLS

Mother tongue (s) Sindhi

Other language

	Understanding		Speaking		Writing
English	Listening	Reading	Spoken Interaction	Spoken Production	
	C1	C1	C1	C1	C1

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2: Proficient user
Common European Framework of Reference for Languages

Professional computer skills *AutoCAD, MATLAB (MATrix LABoratory), Arduino, LabVIEW, LEGO® MINDSTORMS, Nida 130e Trainer, MultiSim, PSpice, Pasco Software, Windows, LINUX Ubuntu.*

Technical language Skills *C-language, C++, Python , Java*

Computer skills *MS. Word; MS Excel; MS Power Point, Internet; E-mail*

Communication *Professional report writing, letter writing, excellent presentation skills, strong*

skills	*relationship-building skills to cooperate in team.*
Other skills	**Certification** *Recipient of the number of certificates for participating in different co-curriculum activities and competitions.*

CONFERENCE/SEMINARS/WORKSHOPS:

- Presented a paper on "**Advanced Ambulatory Operating Stretcher Learned By Means Of Convolutional Neural Network (CNN)"** in a International Medical Device and Technology Conference organized by University of Technology Malaysia (UTM), in Johar Bahru Malaysia, held on 6th to 7th Sept, 2017.

- Presented a **"Business Plan Competition"** in a 2nd Invention to Innovation Summit Sindh – 2017, organized by Jinnah University for Women, held on 20th to 21th Dec, 2017.

- Participated in a "**Project Competition of Bio- Med Fair**" organized by IBET (Institude of bio-medical engineering technology) LUMHS Jamshoro, held on Feb 15th, 2017.

- Participated in a two-day "**2nd invention to innovation summit 2017 to buy and sell technology**" by university of Karachi held on 20th to 21th Dec, 2017.

- Participated in a workshop of "**Android Day"** organized by Liaquat Medical University of Medical and Health Science, jamshoro.

- Participated in a **"Institute of Electrical and Electronics Engineers"** Explosion '14 organized by Mehran University of Engineering and Technology (MUET), Jamshoro; held on 14th Oct. 2014.

- Attended a seminar on **"Orientation Training On Radiation Safety Aspect"** Organized by RNSD 111 (Regional Nuclear Safety Directorate), Karachi At IBET LUMHS Jamshoro, held on 21th April,2016.

- Attended a seminar on **"URAINGEY"** based on Peshawar attack, organized by IBET LUMHS held on 8th Sep, 2015.
