Farkhanda Shaheen

House No.C-1, Railway Housing Society, Model Colony Karachi • Karachi • +923083027761 • shaheenfarkhanda285@gmail.com

Objective

To secure a challenging position as a Lecturer in Biomedical Engineering, leveraging my comprehensive knowledge, passion for teaching, and industry experience to inspire and educate students. Dedicated to fostering an engaging learning environment, facilitating hands-on experiences, and contributing to the academic and professional development of future biomedical engineers.

Experience

2019–2021
Chief Executive • Subject Teacher • Eagle Institute for competitive Exam online Academy

2021–2022
Visiting faculty Biomedical Engineer • Ziauddin University (taught biomedical instrumentation and signal & system

2022–2024
JEST BPS-14 • school Education And Literacy Department
I have performed my duties well as an online, private and government teacher.

Education

- Master of science: Biomedical Engineering– 2024; CGPA: 3.57

  Ziauddin University Karachi

- Bachelor of Science: Biomedical Engineering – 2019; CGPA: 3.75

  LUMHS, Jamshoro

Software Expertise

I possess expertise in utilizing programming languages such **as MATLAB, Arduino, Python, C++, and LabVIEW**, alongside proficiency **in Microsoft Office applications (PowerPoint, Word, and Excel).** Additionally, I am adept at working with **3D Slicer** for specialized biomedical imaging applications.

Final Year Projects

Correlation of footwear and backpain
Prediction of Ti and Al alloys properties using machine Learning algorithms
